Track Overlays

NOTE: it is recommended that you create a FINDMESPOT Shared Page for each year in total only (eg. 2015 & 2016 etc), however create a NEW SPOTWALLA trip for each adventure using the original FINDMESPOT link created for that year.

When you have created your new trip in SPOTWALLA, click on the drop down arrow and then click "Trip Links"

Copy the link from Family & Friends

Click - Close

Paste that link on a forum or email to a friend(s) and if all went well, they will be watching you travel around the countryside.

Click inside any of the boxes below to highlight the desired link. Then use the keyboard or mouse to copy the link to the clipboard.

Family & Friends

This link is good for sharing with family and friends.

https://spotwalla.com/tripViewer.php?id=11298575fdee112051

Embedding

In addition to the above links, you can use this one to embed your trip into a webpage or forum post or wherever.

https://spotwalla.com/embed.php?id=11298575fdee112051&scale=on&zoom=default&refresh=no

Close

IMPORTANT NOTE:

You must also UPDATE your Spotwalla "Devices" details with the **new Findmespot** link you have created for the New Year.

From the dropdown arrow next to your name select DEVICES

© 2015 SpotWalla Systems, Inc.

Select the device name to update eg: Kimmie From the dropdown arrow select UPDATE
